EE615
Advanced Digital Signal Processing

Instructor:
Alek Kavcic, POST 205F,
E-mail: kavcic@hawaii.edu
Phone: 956-5174
Web page: http://www-ee.eng.hawaii.edu/~alek/ee615.html

Textbook:

Additional Readings:

Prerequisites
Knowledge of linear algebra, elementary digital signal processing, and random processes.

Course contents:

Lectures
MW 9:30-10:45 SAKAM B414

Office hours
To be decided

Grading:
Homework (once per week): 25%.
3 Midterms: 25% each.

Computer projects:
Some homework assignment may contain computer projects…
